WINEMAKER NOTES

Our Reserve Cabernet Sauvignon is crafted from diverse, premium fruits thoughtfully cultivated by a variety of small Napa Valley vineyards spanning Coombsville, Yountville & Carneros. Low yields and great clonal pedigree, combined with meticulous farming in a variety of different appellations, are essential to producing our Cabernet.

We believe it's this blend of intensely ripe fruit that results in our wine's unique character, complexity, depth and balance. This is the most elegant Cabernet Sauvignon that we have ever produced.

The 2015 Cabernet Sauvignon's opaque purple color exemplifies perfectly ripe blackberries and juicy wild blueberries, layered with café mocha, sweet black licorice and dried sage. Upon first sip, tantalizing notes of cassis, blackberries and dark chocolate are nuanced with tealeaf, graphite and sweet pipe tobacco. An opulent mid-palate with gorgeous concentration, impressive tannic structure and incredible length enhance this expressive wine.
